give permission for my son/daughter to participate in the Solebury Township Historical Society Oral History Project training session and recording of oral histories.

I have reviewed the attached volunteer project description and understand the following expectations of this opportunity:

- To work with the Historical Society in selecting a community member to interview
- To meet with a community member in a public space, such as the Free Library of New Hope and Solebury or the New Hope-Solebury High School library.
- To record the interview for historical interest and possibly for the Historical Society web-based oral history collection.
