

The Solebury Township Historical Society
is pleased to invite the
First Graders
on a trip back in time.

During the week of June 8, the first graders will spend the morning at the 1870 Centre Hill One-Room Schoolhouse where we will practice our penmanship on slates, do our sums, learn interesting history about Solebury Township, play schoolyard games and mostly

HAVE FUN!

The one-room schoolhouse, one of the oldest continually used schools in the state, is on the Lower Elementary School property; we will be walking over so please have your child wear good shoes for walking and playing outdoors. Please provide both a snack and a bag lunch; we will be having lunch on the schoolhouse lawn. A cooler will be provided.

Finally, we encourage your child to come in costume: aprons, bonnets and dresses for girls and long pants and collared shirts for boys.
