

TIGER

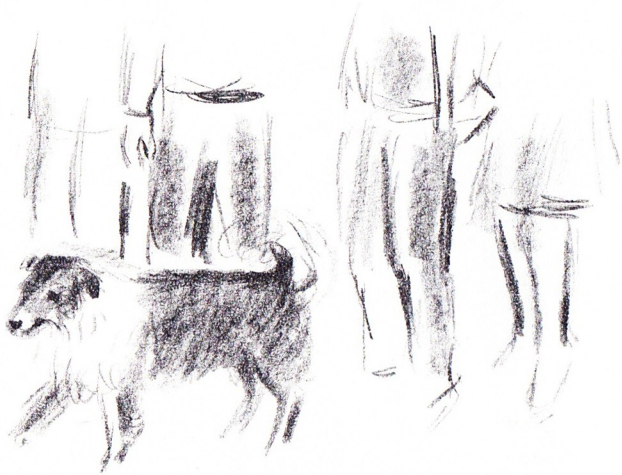

A
VERY
IMPORTANT
DOG

BY PHOEBE TAYLOR

Once there was a dog named "Tiger"

2

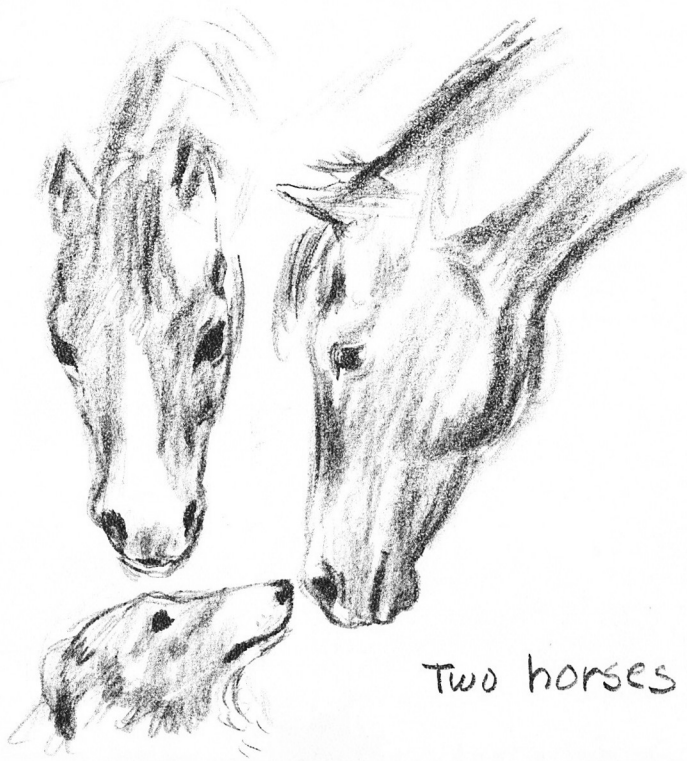

He lived with people

and a house cat

And three barn cats

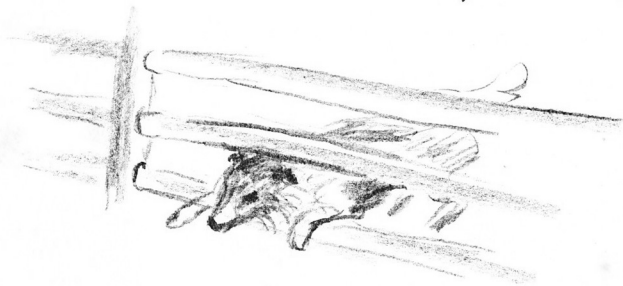

4

Two horses

And two donkeys who chased him

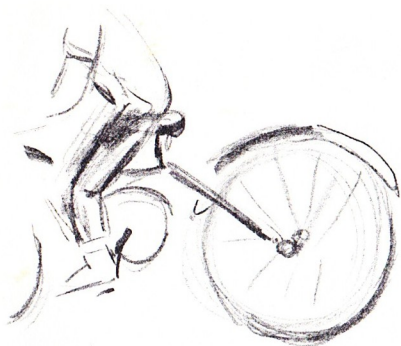

6

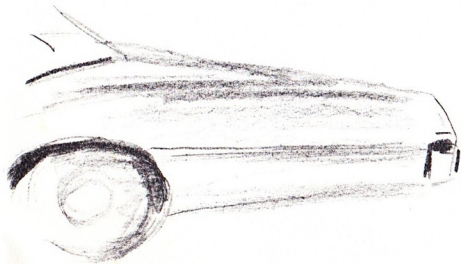

and chickens he was not allowed to chase

He could not follow the bicycle

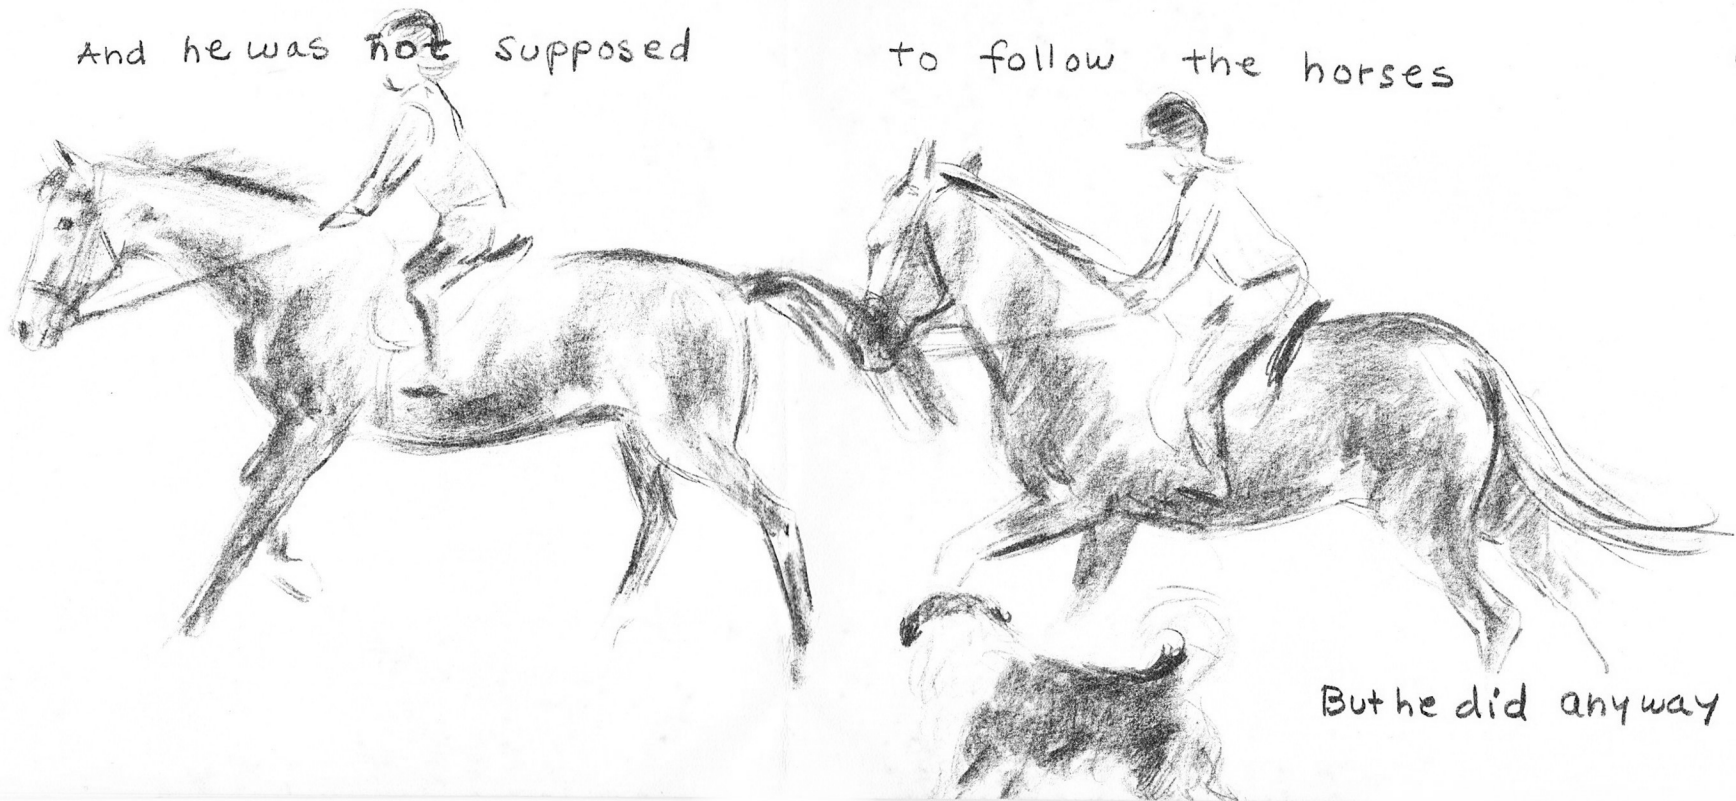

or the car

8

And he was not supposed

to follow the horses

9

But he did anyway

He was sorry

But it was
fun

Tiger guarded the house

and welcomed friends

12

He was very polite

he always smiled
and wagged
every time he
was spoken to

He could shake hands

and roll over

14

He knew when it was 8:00 PM

He came to the father

and put his
paw on his knee

And said

It's time
to go

for our walk

16

Tiger is a very
important dog

Because

He really cares for everyone
