

1a. Walk of Solebury Meeting house Cemetery was a success. About 60 people showed up. nice weather! Some people were disappointed that the write up (by me) did not match the talk. Next time, do a better job coordinating with Jesse Crooks. As Jesse seems to grow his detailed knowledge, I suggest we keep this as a talk in 2014.

Point to the board?????

1b. Next walk??? ideas? leaders? date (spring 2014??) team to mount it (parking, etc.)  
Board discussion and agreement.

2. Museum at Township hall

Display cabinets are all being used by the Township. so no further actions. this program is finished.

3. Student Project: Megan Ruffe:

Megan has a body of work and ideas which should be transferred from RAMcEwan to Beth to Mike for future use on our web site. Action Robert/Beth.

4. Solebury School Scholarship for 2013

Amazing to say, but not so easy to give away money. I am suggesting we forget a 2013 grant and I refocus on getting the staff at the Solebury School to get on a program for the 2014 Grant.

5. NHSHS CEC:

CEC is in limbo awaiting the new Board to be installed after Nov. 18th meeting. However the need for projects is still needed so we will approach administrators at the school with the Oral history project idea.

6. Visit to Schoolhouse from grades K-3 children.

New actor, Marnie Newman Leasure, talked to Elaine and me Nov. 5, 2013. She will start her work with us by seeing how to set up visits like this. Good motivation to find objections to visits and overcome them if possible. Topics and details to be decided.
