

# Membership Report

## January 2014

---

Total Memberships: 233

Got 3 new members from the brunch

Sent member solicitation to 42 non-members who donated to the schoolhouse appeal.  
Received 7 memberships as a result

In October sent 75 renewal letters: 21 have not paid to date. I will send a final notice.

### 2014 Plan:

I suggest we solicit all households in Solebury. This has not been done for at least 4 years.  
And we now have nice benefits, and will be using a non-profit postal permit.

Those current members whose membership expires in the first half of 2014 will receive renewal letters shortly with an explanation that we are going to a once a year membership.

I am acknowledging all memberships paid by mailing a membership card with an expiration of 12/31/2014.
