

# **EDUCATION COMMITTEE REPORT**

June 4, 2014

Marnie Leasure

## **School Scholarships**

- Awarded scholarship to Solebury School student.
- Awarded scholarship to NH-S student. I attended the ceremony and got our name out there. We awarded to same girl as New Hope HS. ***Should we have a luncheon or something for the honorees?***

## **Walking Tour**

- Still working on possible Carversville cemetery tour.

## **School Liaison**

- Nothing ended up happening with 1<sup>st</sup> grade teacher but already talked to the next year's 2<sup>nd</sup> grade team so maybe something will happen.

## **Schoolhouse Talks**

### **A couple of ideas to get us started**

- Should we ask Jesse to give a talk of his choice in the fall? (However, if Carversville cemetery tour doesn't work out, do we want Jesse to lead one at the meeting house in which case prob. shouldn't ask him to complete a second talk)
- I am willing to commit to a talk in the fall about the schoolhouse.
- Looked up outhouse lady. I don't think she is still in business.
