

STHS Grants Report - September 2014
Charlotte Zanidakis

1. Byers Foundation: pending response

2. Douty Foundation: Near completion of proposal when I finally received a response to my earlier email to them. Douty stated their funding does not apply to organizations in Bucks County.

Proposal info/data will be used as template for future proposals.

3. Grunty Foundation: will submit in mid-September requesting funds for STHS Operating Expenses. This will give us flexibility to use monies for any and all purposes.

4. Oral History Project - Robert McEwan: researching oral history grants with Michener Museum to obtain salary for Oral History expert.
