The Impression-Sips continues to be a great “friend” raiser with 14 people (I think) coming to the February event. People are loving this activity and most have never stepped foot in our school house nor heard of us before. In this way this is a great success. People are interested in the history of our surrounds and in the local artists.

I’m not sure what we’ve made so far, but think we made about \$400.00 (after initial start up costs and including sponsorship’s \$\$) on the first one and \$650.00 on this last one. I do have a bill for \$60 for the canvasses and misc. for the next one, so its not a wash but....?? at least people are talking about us.

It is a lot of work to present each party, working up the paintings, getting supplies (both food and paint), setting up the schoolhouse (inside and out) and especially putting a sketch on each of the canvases. I think my son and his girl are going to help me for the 15th, but if we continue and I think we should, I’ll need help with this stuff and I’m not very good at asking for it.

That’s all I know. I have not heard anything about the dinner planned for next fall.
