Subject: Can you help help with permission for Solebury Township Historical Society (STHS)?

>> Dear Mrs. Robinson,
>>
>> I am on the Board of the society and we are working on a project to document the "demise" of Ingham Lake. Les Isbrandt joined us based on his interest in the Aquetong Watershed and the stream which runs by your property.
>>
>> Les shared with me the very good history write-up of your property and house. In the coming months STHS will be posting on our web site a file with the lake history and related articles and write ups of the properties near the lake and stream.
>> The write up you have is very interesting about many details of the land over the centuries and it would be a good addition to what will be part of our website under research where people can turn to in future years to research the lake story.
>>
>> Could you think about giving us permission to use the report? If not all of it perhaps parts?
>>
>> Also as I guess you are interested in the local history, please consider joining our Society.
>> for an idea of what we do look at the web site : soleburyhistory.org One thing you may be interested in is a Plaque Program that shows the age of our
>> home, per the report you now have.
>>

>> Thanks for any help you can give us on the project. Please call if you wish to ask any questions.

>>
>> kind regards,
>>
