

EDUCATION COMMITTEE REPORT

June 2015

Marnie Leasure

School Program

- ***We will be hosting over 100 1st graders next week!***
- Every morning next week (June 8-12) one class will be participating in four stations: penmanship, local history, craft and games. The program runs about 2 hours and then the kids will have lunch on the lawn. See attached flyers that all the kids (and their parents—membership, membership, membership), will receive. All welcome.
- I contacted the Herald about this already but will follow up again later in the week.

School Scholarships

- On May 29, Robert attended the Solebury School Awards Day and presented to Kate Voynow and Leah Hunt.
- On May 21, Nicholas Damarodis received the scholarship for NH-S
- *Donor reception*

192d

- 7 NH-S Social Studies teachers attended Jesse Crooks' Underground Railroad tour on Monday, May 18. It was an amazing event. I took photos which I will get to Beth and Stephanie

Walking Tours

- Called Will Rivinus. No answering machine? Anyone have an email address? Does he use it? I was thinking about some Saturday morning this summer in Lumberville. If we announce to hotel stayers, we may get some out-of-towners.
- Halloween Friends cemetery tour. Jesse was a definite maybe. He may have another thing in October so he will get back to us.

Solebury Day

- Contacted Rev War guy. Haven't heard back.
