

## EDUCATION COMMITTEE REPORT

September 2015

Marnie Leasure

### School Program

- 2<sup>nd</sup> annual 1<sup>st</sup> grade school program will be held in October. I have recruited two more helpers—Donneta Crane and Elaine Crooks. I will convene a meeting for this committee in the next week or so.
- I will also discuss a 2<sup>nd</sup> grade program with the teachers at Back to School Night tonight.

### 192d

- I asked teachers last spring to come up with some ideas for the upcoming spring event. I will follow up in the next couple of weeks.

### Walking Tours

- Oops. Seem to have missed the summer! Talked to Will Rivinus about a Centre Bridge tour this fall. He is more than willing. To make this work, we need to talk to Buzz Teacher and his neighbor for access to his property and bridge across the canal? In the past, Laurel Road was used for parking. Does this seem doable, reasonable?
- Halloween Friends cemetery tour. I reached out to Jesse again and hope this is a go.

### SAVE THE DATE—SATURDAY OCTOBER 17, 11-3.

- STHS will be hosting a rev war encampment on Saturday the 17<sup>th</sup>, 11-3. Rain date is October 24. Michael Jesberger is a one-man show but we may need help with food.

### Trolley Tour

- Historic pub crawl, fall 2016? I can't do this myself so if we are serious about it. I will need help.

### FOR DISCUSSION

- Two events in October (if Jesse is willing). November for a walking tour? Too late?
- Solebury Day is September 19 starting at 10 at Laurel Park. 9 AM walking tour? Can we get it organized and announced in 3 weeks? Assume we will need to have representation here. Is there a walking tour for this section of Laurel?

Two we have done before:

Oct 23, 2004 Paxson Road Walk, Will Rivinus  
A narrated walk along Paxson and Laurel roads and through fields. Meet and park at the home of Will Rivinus, 6832 Paxson Road. We will begin promptly at 9 a.m. The approximately 2 mile walk will take us across a field to Laurel Road, to a point where we will cross fields again to get back to Paxson Road. See and learn about a number of wonderful historic properties. Return to Will's house where refreshments will be served in the historic barnyard. Members, free; guests \$5.

Oct. 13, 2007 Solebury Village Elaine Crooks  
See and learn about two one-room schoolhouses, visit the historic Trinity Chapel, see historically significant items in the Solebury Township Building, hear about the history of the Solebury post office and the general store that was part of the village for many years. Finish with refreshments in a lovely converted barn (Linda Kenyon). Park at the Township Building.
