

EDUCATION COMMITTEE REPORT

November 2015

School Program

- 2nd annual 1st grade school program was held 5 mornings in October. Great feedback from kids, teachers and parent volunteers. Both assistant superintendant and superintendant attended and saw us in action. Also press coverage: front cover of the Intel and the Herald was there as well. I plan on attending a school board meeting and thanking them for their assistance.
- I have approached the 2nd grade team—4 classes about doing something this spring, waiting to hear back.

192d

- I asked teachers last spring to come up with some ideas for the upcoming spring event. I will follow up in the next couple of weeks. If anyone has any ideas, please let me know.

Educational Events

- Hosted a rev war reenactor on Saturday the 24th, 11-3. Extremely interesting man with many artifacts and reproductions but it was a dismal showing—about 10 people altogether. Unfortunately, he is used to this so seemed undaunted.
- I will contact him about giving a lecture sometime this spring.
- I also contacted the Upper Elementary School to see about hosting an event on the school grounds.

Trolley Tour

- Historic pub crawl, fall 2016? I can't do this myself so if we are serious about it. I will need help.
