

1. HCS, Historic Carversville Society, gave us three interviews from two people:

2 Video interviews of Dick Magill and one voice interview of Brenda Meredith.

We have processed these through step one, along with the recent Will Rivinus interview, and they are now in Beth's hands for editing and organizing for web posting. Deadline is about the end of the year.

2. George Yarnell, Gayle Goodman still need to follow up on their doing oral histories.

We (and HCS) hope the activity with HCS and posting of these interviews prompt some of they volunteers to do new OH.
