ARCHIVING ACCEPTANCE FORM

Thank you for your gift to STHS' Archives, we very much appreciate your keeping us in mind today and in the future. Please read these few lines to help us accept, catalogue, and put your gift at the disposal of our members and researchers.

All gifts are subject to our archives policy.* Please be aware we may find that your gift is better placed with a different organization, as we try to focus on Solebury Township history, in which case we would offer to another society, museum, etc., for their archives.

Help us catalogue and define the provenance of your items. This list, a copy of which will be given to you, also serves as reference should you want to claim any tax donation benefits.
